

Declaration of Conformity

Brandname: BuzziSpace
Type Number: P0086
General Model Identification: BuzziBreeze

Harmful substances on component level

Powder Coating

VOC & VOC substances

Powder coatings do not contain more than 0.5wt% VOC

REACH

Registration, Evaluation, Authorisation and Restriction of Chemicals

Restriction on Hazardous Substances

RoHS Directive

Qualicoat

Global quality label for maintaining the quality of lacquering, painting and coating on aluminium

Result: Class 1: P-0145, P-0846, P-0673, P-0800

Fire Rating on component level

Powder Coating

NF EN 13501-1+A1:2013

Fire test To construction products and building elements

Result: A2 (non flammable)
